2009 Indiana State Fair

Congratulations to all who participated at the State Fair. It really is a great place to go and show off all you learned throughout the year. This years attendees were: Maria Cranor, Kirsten Ennis, Sharese Behny, Molly Guyer, Brice Howell, Katie Richard, Emily Stark, Emily Mann, Storm Rivers, Sam Rivers, AJ Vazquez, Bailey Miller, Madison Guyer, Olivia Rivers & Marie Adams.

Rule Changes for 2010

The Exhibit Association is taking suggestions for rule changes for the 2010 Project Summary. If you have any, please write them down and submit them to either Cindy or Emily at the September meeting. You must have them by our meeting so we can submit them in time for the Exhibit Association meeting. We will be suggesting that we make books optional and keeping the 1st page of the record sheet mandatory. We will also be adding to the project summary that pictures must be turned in with the horse forms in order to show at the county level. If you have anything to add, put it in writing and bring it with you.

October Meeting

We will be electing officers at our October meeting. If you are nominated, please come prepared to tell your fellow club members why you would be a good officer for our club. Take this responsibility very seriously because our officers are a big part of why our club is well known and respected.

Open & Youth Show

Due to great donations for the fair show, we do NOT need much pop for our September shows. However, we can still use some other items such as baked goods, coney sauce, etc. Please see Cindy Keene OR Cindy Weldon for a list of thing you can donate. If you are low on incentive points for the year, you can still catch up by helping or donating items for our September shows.

September Meeting

PLEASE plan to attend our September meeting. It is scheduled for the 10th at 6:30 pm at Victory Baptist Church on Alto Road. We will be handing out cookie dough order forms, choosing nominees for next year's officers and brainstorming ideas for next year. Come with suggestions for judges for next year.

Cookie Dough!

September is Otis Spunkmeyer Cookie Dough Month. Order forms will be passed out at the September meeting and both September shows. We make 40% off each tub of cookie dough we sell. Also, for every 12 you sell, you get one free! Completed order forms WITH MONEY will be collected at the October meeting. The cookie dough will be delivered before Thanksgiving.

Fun Night

We have paid for 1 more day of insurance this year. Last year we had a fun night that everyone who attended enjoyed and we would like to do it again. Please check your calendars now so we can choose a date at the September meeting. ANYONE can ride at this night. Cindy has to give the insurance company a 2 week notice before we have this event.

Congratulations!

Cheyenne Shrock and Brice Howell both competed at the Youth Quarter Horse World show this year. It's awesome that they could represent our area for us! Great Job to the both of you!!!
